Pimpri Chinchwad College Of Engineering, Pune
(Affiliated to Pune University) **Pune**
(2023-2026).
- **Diploma in Computer Engineering**
Government Residential Women's Polytechnic , Latur
(Maharashtra State Board Of Technical Education) **Latur**
(2020-2023).

SKILLS

- Programming Languages: Java, C, C++, Python.
- Web Technologies: HTML, CSS, PHP, MySQL.
- Development Tools: Visual Studio Code, Eclipse.
- Soft Skills: Leadership, Teamwork skills, Decision Making .

INTERNSHIP EXPERIENCE

Web Development Intern: (Jun-Jul 2024)

- Completed a 2-month internship at Syntelligence Tech, Pune.
- Worked on real-world web development projects, enhancing skills in UI/UX design, and website designing tools.
- Reported to Mr. Satish Pawale and collaborated with the development team.
- Successfully adhered to professional and behavioral standards, receiving a completion certificate.

Web Development Intern : (July - Aug 2022)

- Operand Technologies & IT Solutions LLP, Latur .
- We were given extensive web development assignments to complete.
- We were able to participate in ongoing projects and obtain practical experience while being guided and mentored by specialists in the sector

PROJECTS

EduManager System (Jan–Apr 2024)

Created a student management system using Java, Advanced Java, and MySQL for efficient record-keeping and data analysis.

Dynamic Timetable Scheduler (Aug–Nov 2024):

Applied DAA job scheduling algorithms to generate dynamic and optimized timetables for academic institutions

Loan Approval Predictor (Oct–Dec 2024):

Developed a system using Java to predict loan approvals based on CIBIL scores and income levels.

Aimed at streamlining the loan approval process for banks and financial institutions.

Online Voting System for Wing Commander (Mar–May 2023):

online voting platform for Wing Commander elections, focusing on secure, user-friendly, and accessible remote voting solutions, eliminating the need for physical polling stations.
